Subject: Portland supports a balanced river cleanup

I want to make sure the federal government doesn't send a big bill to business and households for the river cleanup.

The amount of wages generated by companies in the Portland harbor help so many families put food on the table. We all support a clean Willamette River but it's also crucial that the cleanup is flexible and not be so expensive that it threatens local jobs.

Thank you for your time. Please stand up for local jobs in Portland.

Sincerely,
